

COLUMBIA, S. C.,
THURSDAY, FEBRUARY 1.

ONLY SOUTHERN SHOW!
Every Afternoon and Night!
HAIGHT & CO.'S
Circus, Museum & Menagerie!

Most Magnificently Colossal Establishment
on Earth!

Three Mammoth Pavilions!

ENTIRELY distinct and separate—one for the Menagerie, one for the Museum, and the other for the Circus; all, however, for one price of admission.

Before every afternoon exhibition a **GRAND FREE BALLOON ASCENSION** will be given, and Mr. Harry Hambold will traverse a single wire from the ground to the top of the canvas and return—a grand gratuitous dual spectacle.

The management, at an enormous expense, have purchased the entire and complete Menagerie of the late Colonel T. C. Ames, which, in conjunction with their own, makes the largest and most splendid collection of zoological wonders in the world, embracing sixteen massive dens of living wild animals.

The Monster Elephant, Bismarck,
And the Baby Elephant, "PET," Royal Bengal Tiger, Terrestrial Sloth, Chetah or Hunting Leopards, Spotted and Laughing Hyenas, and of Monkeys and Birds, an endless variety; two dens of performing Lions, Tigers and Panthers, and a Lioness and six baby cubs, only two months old.

In the Arenic Department will be found all the old favorites, and many performers of world-wide renown, whose faces are new here; among them the great **CARROLL FAMILY**—W. B. Carroll, the veteran two and four-horse rider; Madame Carroll, equestrienne; La Petite Annie, the Baby Wonder, only six years old, in her startling acts of equitation, and the Boy Prodigy, Master Willie, the only child Somersault and Piroquette Rider in the world; the great **Miaco Brothers**, the splendid Aerial Gymnasts, and Mons. C. LEE **FOWLER**, the elegant and accomplished Jester.

Doors open at 1 and 7 o'clock P. M.
Beautiful carpeted seats for ladies, without extra charge. No smoking allowed inside of the pavilion.
