## DEATH OF BEN MAGINLEY.

---

### **An Old Time Circus Clown and Popular Actor.**

---

Benjamin Maginley, the actor, better known as "Ben," who has been before the public for many years, died this morning in Westchester Village, New York. Maginley in his early days was a clown in a circus which he abandoned for the dramatic stage. He has knocked around considerably in many plays but is best remembered for his character of Tom Blossom in "May Blossom," which brought forth much praise from the press and the public alike. After this play had lost much of its drawing power he abandoned it and starred in an old Irish drama, called "Inshavogue," which he revived and with which he played throughout the country until very recently.
