COMPLIMENTARY BENEFIT TO B. R. MAGINLEY.—The members of Christy's Minstrels have voluntarily tendered their services for a complimentary testimonial to our friend Maginley at the Academy of Music. The programme laid down for the evening will be something new and rich. Maginley is deserving of the good fortune in store for him and our citizens. We will be but too glad to second the movements of the members of the troupe, by crowding the house again to "overflowing."
